

Dear PANAC Member;

We are looking for interested applicants and would welcome you to complete the application for the Nominating Committee to the PANAC board of directors. Once completed this information will be shared with the general membership through a ballot. They will then identify the individuals which they feel will most positively benefit the workings of the Association.

This is an opportunity for you to actively participate in the operations of this Association, please consider taking advantage of this opportunity. Although we value the input of our members this is an even greater opportunity for you to have a hand in guiding the direction and functioning of the Association to meet the needs of the members. If you have ever thought that there was a better way, this is the time to step up, take action and shine a light on that better way.

To obtain a better understanding of the responsibilities and Committees active within the Association, please go to the PANAC website, members only section, and access the current Bylaws.

So complete the application and return it to, by 3/20/19, either by email:
